# Can you help us make cancer services better?

**Our Cancer Our Way is  
all about you telling us  
what you think.**

## Can you help us?

We want to improve cancer service for teenagers and young adults in our area.

If you were 16-24 years when you were diagnosed, are in treatment or finished treatment in the last 2 years we would LOVE to hear from you.

We want to know what's good about your cancer services? What's not so good? And what you would change, if you could?

Tell us in any way you like! Send us an email, share your blogs, poetry, songs, video diary, a piece of artwork, photos, a poster or mind map. We will run some online focus groups; we'd love you to join us!

# Your Chance to help shape cancer services

**Our Cancer Our Way** is all about understanding your experiences, as a parent or carer.

## Parents and Carers

Can you help us?

We want to improve cancer care for children, teenagers and young adults in our area.

If you are a parent or carer of a child, teenager or young adult who is in treatment or finished treatment in the last 2 years, we would love to hear from you.

We want to know about their cancer services and what it has been like for you.

What's been good? What's not so good? And what you would change, if you could?

We will run some online focus groups, where we can talk about your experiences. We can also arrange individual phone interviews. Or you can just email us.

If you want to know more or take part email [sue.bickler@helpandcare.org.uk](mailto:sue.bickler@helpandcare.org.uk) or phone **07971 755079**
