# Can you help us make cancer services better?

## Our Cancer Our Way is all about you telling us what you think

### Can you help us?

We want to improve cancer service for children, teenagers and young adults in our area.

Parents and Carers can get involved too!

What's been good? What's not so good? And what you would change, if you could?

There are lots of ways to get involved, please contact us or ask a member of staff for a flyer.
