**OUR  
CANCER  
OUR  
WAY**

## Can you help us make cancer services better?

**Our Cancer Our Way  
is all about you telling  
us what you think.**

If you are having treatment, or  
finished treatment in the last 2 years  
we would LOVE to hear from you.

We want to know what's good about  
your cancer services? What's not so  
good? And what you would change,  
if you could?

**Can you help us?**

**Be as creative as you like! Send us  
your drawings, pictures, a story or  
poem, sing a song or take a photo!  
We're happy to listen if you would  
prefer just to talk to us.**

If you want to know more, ask your  
parent or carer to get in touch with  
us so you can take part (or call us  
yourself but we will need to check  
they are OK with this!)

CANCER  
OUR  
WAY**

# Your Chance to help shape cancer services

**Our Cancer Our Way** is all about understanding your experiences, as a parent or carer.

## Parents and Carers

Can you help us?

We want to improve cancer care for children, teenagers and young adults in our area.

If you are a parent or carer of a child, teenager or young adult who is in treatment or finished treatment in the last 2 years, we would love to hear from you.

We want to know about their cancer services and what it has been like for you.

What's been good? What's not so good? And what you would change, if you could?

We will run some online focus groups, where we can talk about your experiences. We can also arrange individual phone interviews. Or you can just email us.

If you want to know more or take part email [sue.bickler@helpandcare.org.uk](mailto:sue.bickler@helpandcare.org.uk) or phone **07971 755079**
