

# SACT Closer to Home Project

Re-scoping between June – August 2021

Encouraging the delivery of chemotherapy in the community

## All 7 hospitals

Across the Wessex Cancer Alliance region there are:

7	3	4	1
hospitals*	cancer centres	cancer units	community oncology service

1,500+ square miles

The size of the WCA region

Community Oncology Nurses

Service developed to offer SACT closer to home for patients in Bournemouth, Poole and North Dorset

1 x mobile unit, delivering SACT closer to home 4 days per week

2 x support vehicles across WCA Salisbury & UHS

## Private Homecare Outreach

5 of 7 hospitals in WCA use a private homecare company

More patients received oral SACT at home during the pandemic

RECOMMENDATION

33 World class cancer outcomes

Working towards world class cancer outcomes by encouraging the delivery of chemotherapy in the community.

\* Salisbury NHS FT were part of this project but do not officially sit within WCA
