

Cervical Screening for People with Learning Disabilities

Working together we have created training to help you consider the needs of people with learning disabilities to increase the number attending cervical screening. This will help your practice achieve Network Contract DES for earlier diagnosis.

To sign up to a session please complete the form [here](#):

- **Tuesday 27 June, 12-2pm**
- **Wednesday 4 October, 12.30-2.30pm**

Who's it for?

Sample takers (doctors and nurses)

This training has been coproduced with patients with a learning disability, who will be present at the training to share their experiences.

Who is running the training?

NHS Isle of Wight
NHS England
NHS Solent
NHS Southern Health
NHS Dorset
NHS Wessex Cancer Alliance
